

AMENDMENTS TO THE DRAWINGS

Please replace the originally filed informal drawings (Sheets 1-5, including Figs. 1-7) with the attached REPLACEMENT SHEETS of formal drawings (Sheets 1-5, including Figs. 1-7).

In the Replacement Sheets, Replacement Figs. 1 and 2 include element 140 that was not shown in original Figs. 1 and 2. Element 140 corresponds to a textile loop provided at the common top end 130 of the instep-heel part 90. Support for this addition to the drawings may be found, for example, on page 6, lines 7-8 of the originally filed specification. These changes were made so that the drawings better match the content of the specification.
